

# Research location

**Project stage:**  
Kickstarting your project

It is important to understand the context of the Ventura brief. Do this by visiting the museum, or using the website to research. The questions below will help you, but also take photos, and sketch things that you think are interesting in the museum.

BORN TO BE

The Deutsche Bank youth  
engagement programme

## Early ideas:

Jot down ideas to follow up later.

## Audience:

Who visits this place?

## What's missing:

What could improve the visitor experience?

## Sketch:

## Location purpose:

What activities take place here?

## What do people say:

Get some feedback?
