Design Ventura 2020 International and Independent Category

Design Ventura is the Design Museum's award-winning design and enterprise challenge for students supported by Deutsche Bank's global youth engagement programme *Born to Be*.

Each year, students aged 13 – 16 are challenged to design a new product for the Design Museum Shop. Schools are offered free Continued Professional Development opportunities (CPDs) for teachers, online learning resources and more.

International and Independent Schools Category

International and independent schools are welcome to run the project with the support of the Design Museum team and the project resources, competing for a separate prize.

All schools submit their entries via ventura.designmuseum.org

The competition entries are assessed by a panel of industry experts. The top 3 international and independent schools are asked to submit a three-minute video pitch. The judges review this to decide on a winner for this category. The top 3 teams are invited to the Design Museum for a prize giving ceremony, with goody bags and a designer led workshop.

Key dates 2020-21

2 September	Design Ventura project live for students
9 September	Free online CPDs for teachers Online Mini Challenge for year 7 and year 8 with prizes awarded and sent in the post
